PCB ANNUAL REPORT FOR CY 2017**I. BACKGROUND**

To comply with 40 CFR 761.180 annual reporting requirements, the Environmental staff has reviewed and reported all PCB items removed from service and disposed of during the 2017 calendar year.

SCOPE

The following documentation was reviewed and provided:

- a) 2017 hazardous waste manifest files.
- b) Certificates of Disposal for disposed PCB (N/A).
- c) Copy of 40 CFR 761.180

II. FINDINGS

There were no PCB items disposed of during CY 2017.
